The Game

Teams embark on an exciting cultural journey to explore the diverse traditions, arts, and practices of another culture. Participants will engage in hands-on activities such as traditional Muay Thai, cooking national dishes, learning local dances, and more. Indoor and outdoor versions are available, allowing flexibility to suit various environments.

“The beauty of the world lies in the diversity of its people.”

The Objectives

Equipped with materials for each activity, teams will dive into a new culture through immersive, live sessions and real-time interaction.

After an informative briefing about your host’s vibrant history and culture, teams will engage in a series of workshops, each focused on a unique aspect of life. From cooking classic dishes to mastering traditional dance steps, participants will work together to accomplish each challenge. Teams will learn new skills, discover fascinating cultural insights, and work together to succeed in the various tasks at hand.

The Best

The teams who show the most enthusiasm, teamwork, and cultural understanding will earn recognition for their efforts. Points are awarded based on performance, creativity, and collaboration during the activities. Extra prizes can be provided on request for teams that demonstrate exceptional skill or cultural appreciation.

The Benefits

- Discover and engaging and fun cultural experience in the rich traditions your host nation in a hands-on, dynamic environment.
- Work together to master new skills and techniques from cooking to dancing. Cultural immersion and learning. Gain a deeper understanding of traditions and customs.
- Foster communication and teamwork through placing your team in an exciting and unfamiliar environment where they need to collaborate and adapt.
