The Game

How would your team survive if you had to survive 3 days in the deep jungle? This energetic team building includes all elements of survival and can be played in hotel gardens, beach or the real jungle. Teams will have to build shelters, hunt for food, protect against the elements, purify water, make fire and start their escape plan. What team will survive best?

“Extinction is the rule. Survival is the exception.”

Carl Sagan

The Objectives

Once teams have been divided, they each must

- Hunt for food
- Make shelter and a plan how to survive 3 days
- Choose what materials are most necessary
- Make fire and purify water
- Present an escape plan
- Face paint and make a team moral yell.

The Best

Teams are scored on

- Planning and teamwork / team moral
- Priorities
- Cooking and eating utilities
- Quality of shelter
- Speed, safety and efficiency of evacuation
- Overall presentation
