PURPOSEFUL

“ Purpose doesn’t make life
easy. It makes life possible. ”

Dr. Myles Munroe

Purposeful

When individuals and teams align with a shared purpose, the effect ripples outward—not only within the team itself but across departments, collaborations, and the entire organization.

Purpose fuels progress, and progress drives sustainable success.

Building purposeful teams consistently over time is possible with tabtourasia. It begins with how each team member is energized and engaged to contribute meaningfully.

Whether you're identifying opportunities, crafting strategies, or executing tasks, purposeful action enhances internal communication, boosts motivation, and leads to exceptional outcomes. When teams move forward with clarity and shared intent, they unlock the full potential of high-performance collaboration.

Tabtourasia offer Team Building and CSR programs to ignite this sense of purpose. Pro Team Asia, continues the journey with Team Work and Game Changing workshops—ensuring long-term development and organizational health through ongoing support.

Talk with us to help your company achieve lasting results by continually working with us on short-term adjustments—and watch the benefits ripple through your teams.

Let's build purposeful teams internally and externally!

TABTOUR SERIES

Tablet-led Amazing Race Team Building Treasure Hunt

Tablet-Led Amazing Race Team Building Treasure Hunt

Now established across dozens of cities in Southeast Asia—including Bangkok, Chiang Mai, Pattaya, Ho Chi Minh City, Bali, Singapore, and more!

In real time, teams compete to immerse themselves in the local culture—interacting with the sights, sounds, and history of your host city. Using GPS-guided tablets, participants locate specific spots, complete exciting tasks, games, or puzzles by engaging with locals, capturing photos, and discovering hidden gems. Real-time scoring, interactive maps, and live progress tracking keep everyone motivated and allow teams to see how they stack up against competitors. Strategize, communicate, and collaborate to win this dynamic, high-energy team building experience that delivers lasting impact.

“ Have done many team events at many countries and this was by far best team activity I ever done. A great combination between mental and physical activities. We will remember this far along time ”

Benefit

- No minimum or maximum number of participants—perfect for any group size
- Builds strategic thinking and planning acumen
- Fosters leadership, clear communication, and defined team roles
- Creates meaningful networking and bonding opportunities
- Real-time scores and progress tracking for added excitement and transparency
- Broad variety of cultural, interactive activities packed into a single event
- Direct, authentic interaction with locals for deeper cultural immersion

tabtour Series

Tablet-led with real time interactive and scoring, this team building program races you through your chosen destination with total cultural immersion.

CHALLENGE SERIES

Creative Hands-on Project Based Team Building

Our Challenge series brings team work and communication skills to the fore, whilst providing opportunities for fun and laughter. These creative hands-on and project based activities test planning, technical and creative skills. Talk with us to fully customize your event and incorporate discussion themes for company-based results. Challenge subjects can include, cost control, marketing, logistics, channels, sustainability, quality control, human resources, company values, and many more.

Accept the challenge today!

“ We simply had a blast!
Everybody enjoyed the day very much, and as a manager I can tell that the team got closer and learned from each other during the experience, and that's the output I was hoping for! ”

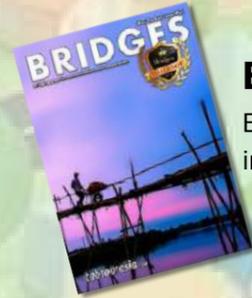

Benefit

- Teams learn budgeting, planning and performing time
- Highly customizable for company values or expected outcomes
- Encourages patience levels, leadership and communication skills
- Increases the team motivation through successfully achieving targets
- Highly hands-on and creative, encouraging interaction with all participants
- Organic participant discussion and creative solutions

Culinary Challenge

Guided with your tablet, source local products from markets to later create regional dishes like top chefs

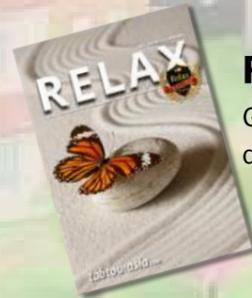

Bridges Challenge

Build bridges with restrictions in interaction to improve communication toward achieving tasks.

Slingshot Challenge

Complete fun tasks for money to purchase materials to build a giant slingshot to compete against the other teams in distance

Relax Challenge

Guides teams through five calming sessions designed to reduce stress and boost well-being.

Fashion Challenge

Teams compete to create an original outfit from recycled materials to strut on the catwalk.

Survivor Challenge

Learn survival techniques without modern tools and equipment.

Olympic Challenge

Competitive pseudo team indoor and outdoor sports with much jesting, cheering and winners

Reaction Challenge

Create crazy-fun contraptions using random items to link a chain-like event between teams for the final showdown.

Smoothie Challenge

Plan, design, and make a delicious smoothie, to present ideas successfully while taking into account company targets

Raft Craft Challenge

Design and build a raft that supports the whole team using materials supplied to later race against the other teams

Build The City

Invites teams to design and construct a miniature city using limited resources, strategic planning, and collaborative problem-solving.

Squest Game challenge

team-building in a high-energy, multi-zone experience designed to test strategy, creativity, and cooperation.

CSR SERIES

Staff Bonding with Local Corporate Social Responsibility

Combine your teambuilding event with charity work and do good for your company while also helping the people who need it most. CSR projects can bring teams closer together, strengthen communication skills, and are fun. But most importantly, you can make a real difference in communities. Work with us to help you plan a half or full day CSR project, multi-day project, or an ongoing project with media options for your company publications.

Start becoming a positive force today

ASML

“ Thank you again for working with us to create a wonderful CSR experience. We had blast and will certainly promote your interesting CSR activities to others! ”

Benefit

- Increases staff trust and respect in the company
- Strengthens the team spirit and colleague bonding
- Make a real difference to people who need it most
- Enjoy a fun time with colleagues and the locals
- Media content for newsletters or news feeds
- Organic staff media and discussion on social media

Sustainable Lunches

Create sustainable green walls, mushroom farms, and vegetable gardens for a school or foundation.

Wheelchair Motions

Race through the city and acquire wheelchairs to later donate, as your team interacts and experiences the life-style of the locals.

Back 2 School

Fill your purchased backpacks with school supplies from local shopping districts for donation to under-privileged children.

Wheels of Joy

Bring your team together to collect bike parts, assemble sturdy bicycles, and personalize them with creative decorations and heartfelt company messages for the receiving children.

Elephant camp

Choose from a selection of environmentally sustainable activities to help the community and learn something with your team.

Coral Conservation

Get involved with the community and help the ocean's wild-life with the local coral reef reforestation initiative.

Environmental Sustainability

Choose from a selection of environmentally sustainable activities to help the community and learn something with your team.

Farming

Help with seasonal local agricultural or husbandry projects with and/or for the underprivileged.

Recycle

Cleanup a local area and visit local recycle yards to receive payment for recyclables and purchase items for sculpturing.

PLUS+ SERIES

Tools to Effect Knowledge Transfer & Retention During Conferences

Make your conferences fun and interesting by integrating quizzes, games and other activities designed to stimulate interaction, enjoyment, knowledge transfer and retention. With our tablet-based programs, speakers get real time feedback from conference delegates, which can be used to assess their message delivery effectiveness and make improvements when needed. There is no need to continue running uninspiring seminars. Utilizing our Plus+ Series will increase the effectiveness of your conferences and training sessions, and will put you ahead of the rest.

Plan your next conference with us no!

“ Previous conferences often were ‘too much work and not enough fun’ we definitely turned this around with tabtourasia. Everyone was commenting on what a great time they had and how it helped them stay more engaged with the main subjects. Great job guys thanks! ”

Benefit

- Generates lively interaction during conferences, seminars, or meetings
- Content will be better transferred and understood
- Helps delegates engage with the main subjects while having fun
- Optional icebreaker activities loosen up the atmosphere
- Review how much of the speaker’s content reached the audience
- The analysis helps to improve further conferences
- Increases networking between delegates
- Follow up feedback for speakers

Conference Plus+

Achieve team participation between conference talks to create discussion, voting, knowledge transfer and retention.

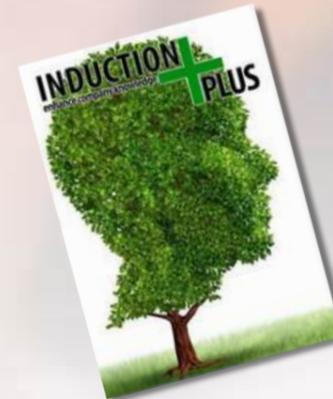

Onboarding Plus+

Digital gamification for new employees view your corporate culture and their function within it to improve workforce retention, performance, and job satisfaction.

Buzzer Plus+

Get participation buzz during or between your talks to create discussion, voting, or feedback on knowledge transfer

Induction Plus+

Digitally controlled programs for better efficiency in training new or existing staff in standard operating procedures.

Conference Plus+

Achieve team participation between conference talks to create discussion, voting, knowledge transfer and retention.

WORKSHOP SERIES

Results Oriented Training, Development, and Follow-up

Professional training modules to develop understanding and know-how, while cultivating a healthy long-term interaction between delegates. Workshops are visual, packed full of practical hands on games, projects and activities to help keep participants engaged and maximize the understanding and retention of each session's subject. In cooperation with you, we will design and customize workshops and training activities to seamlessly integrate into your work space.

Start designing your next program today!

“This workshop exceeded all expectations. Professional trainers and facilitators, well designed activities and great support.”

Benefit

- Individually tailored to suit the company's needs
- Improves attitude and behavior towards conflicts and problems
- Enhances understanding of intercultural differences
- Increases motivation and prevents against stagnation
- Increases knowledge, competency, productivity and performance

Culture

Cross cultural workshops to improvement.

Mission

Setting and achieving goals together.

Trust

Understanding trust and vulnerability in team psychology.

Dynamics

Understand and achieve better group interaction.

Communicate

Learn practical uses for communicating successfully.

Awareness

Personalities and understanding of self and others.

Decisions

Tools for better collaboration on new themes across teams

ADVANCE ON KOH MAK

The Perfect Team Destination for Training, Discovery, and Chilling

Koh Mak, the perfect team destination for training, discovery, and chilling. This island is mostly family owned and located on the east side in the Gulf of Thailand. It has a rich historical culture that dates back 5 generations with great views, weather, and local charm. In a unique collaboration between the owners and Pro Team Building Asia we have created Koh Mak to be the perfect team destination for corporates in search for professional training, engaging team building activities, fun, and chill.

Start designing your next program today!

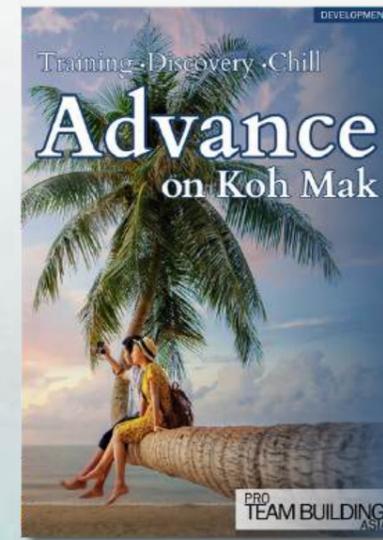

“

This event was a huge success among all employees, everyone had an amazing time. It was the perfect balance between team building and fun and really reflects to team work within the company. Many thanks! We definitely recommend this team-building event.

”

Benefit

- Your team will be isolated in a safe and controlled environment
- Reform your (new) teams with professional facilitators
- Reconnecting and bonding with proven workshops
- Learn about teamwork with active learning based program
- Unique and sustainable CSR activities
- Gamified travel experiences (no time wasted)

ADVANCE ON KOH MAK

The perfect team destination for professional training, engaging team building activities, fun, and chill.

Many of our programs can be done on the island, but our recommended events are those shown below. Download Advance on Koh Mak for the full picture.

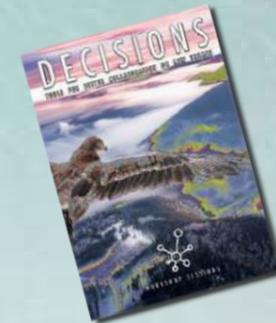

TRUST

Understanding trust and vulnerability in team psychology

DECISIONS

Tools for better collaboration on new themes across teams.

CORAL REEF

Improve the health of coral reefs through propagating and transplanting coral, and reducing pollution in order to restore a vibrant ecosystem.
