Chiang Mai Cultural Immersion

Surrounded by mountains, and traditional Thai houses and culture, take your next team building event through Chiang Mai's old city and surrounding area in a fully interactive team building event.

Strategize and compete interactively against other teams in this digitally supported amazing race style team building event.

Equipped with a tablet pc, explore the culture, sights and history of the city freely. Teams plan their route together by choosing from a large selection of GPS spots and team stations which contain exciting tasks to solve.

Earn points by learning about the city, taking photos, solving puzzles or talking to locals, and see all scores in real time! Excitement for all, guaranteed, while fostering friendship and communication, for positive team building results.

- Negotiator
- Strategist
- Technician
- Problem solver
- Communicator

Team Building Benefits

It is often difficult for a company to include everybody in a fun and effective team building event. Especially when considering larger groups. But, tabtourthailand makes it possible to involve everyone while allowing all to work effeciently together throughout the entire program.

- Teams will have to decide on a balance between planning and performing time.
- Teams will have to keep track of location and scoring of other teams and make strategic decisions based on these statistics.
- We will put activities in the game that forces teams to work / negotiate with other teams.
- Teams will have to use all their communication and leadership skills to become the winners.
- We can debrief with showing the game statistics comparing the teams with each other.
- Hands-on activities are designed so that cooperation / leadership brings the best results.

RICHEMONT

“ We built so much team spirit and bonding with our colleagues! We had great fun exploring the city. ”

“ We simply had a blast! Everybody enjoyed the day very much, and as a manager I can tell that the team got closer and learned from each other during the experience, and that's the output I was hoping for! ”

“ For me, it was a brilliant successful blend of knowledge and fun. I have no suggestions for improvement. ”
